COMPANY

MULTIPLE COPIES FROM ALL ORIGINALS, AUTOMATICALLY!

**Stop roaring about faded
electrostatic copies.**

The original was a sharp photo. This is a copy
made on a leading electrostatic copier.*

**Meet the new copying king:
the 3M "209" Copier!**

This is a 3M "Dual Spectrum" copy of
the same original.*

*Based on a comparison conducted by an independent testing laboratory.

NEW 3M "209" AUTOMATIC COPIER

There are other automatic copiers that can copy from color, even from bound books. But there is only one that does all this . . . plus giving you the sharpest, brightest, most impressive copies of any copier. The 3M "209" Automatic Copier makes them with the new "Dual Spectrum" process. Absolutely perfect copies from solid blacks, fine lines, subtle colors in brilliant black on clear white. All-electrically. Just by touching a button. For as little as 3½¢ per copy. Let us prove we're not lion. Get a free demonstration with your originals today!

NEW 3M "209" COPIER MAKES MULTIPLE COPIES FROM ALL ORIGINALS...AUTOMATICALLY.
